# WELCOME

---

Thank you for choosing Monitor Old-Rite School. We welcome you and anticipate working hand-in-hand in the responsibility of providing a Christian-based education for our students. It is an honor and privilege to work with you towards this significant and common goal.

Our board and administration have assembled this handbook to give parents and students general guidelines and information regarding the organization and administration of our school. If you do not find answers to your questions, please feel free to call the school office, administration or respective staff.

# Foundational Statement

---

## **MISSION:**

Monitor Old-Rite School exists to provide students with a Christ-centered education building on high academic standards.

## **CORE VALUES:**

**Nurture-** Learn and grow together in a safe and supportive environment.

**Partner-** Work collaboratively with parents and the community in the training and education of their children.

**Thrive-** Provide spiritual and educational foundations so that students become godly, knowledgeable and courageous adults.

## **STATEMENT OF FAITH:**

At Monitor Old-Rite School, our board and staff are wholeheartedly committed to the central and foundational beliefs set forth below:

- We believe the Bible is divinely inspired, infallible, and authoritative Word of God, communicated to us in the Scriptures of both the Old and New Testament.
- We believe in following the Divinely inspired teachings of our Holy Fathers and the sacred tradition of the Apostolic Church.
- We believe the Nicene Creed is a doctrinal statement, which the Holy Fathers formed in order to clarify and define the truth of the Biblical teaching in response to heresies.
- We believe that there is one living and true God, eternally existent as three distinct divine persons: The Father, The Son, and The Holy Spirit. These three are one God, The Holy Trinity, having precisely the same nature, attributes, and perfections, and worthy of precisely the same homage, confidence, and obedience.
- We believe Jesus Christ is the only begotten Son of the Father, conceived by the Holy Spirit, born of the virgin Mary, fully God and fully man. We believe in His sinless nature, His miracles, His Crucifixion and atoning death through His shed blood, His bodily resurrection and ascension to the right hand of the Father, and His personal return in power and glory for the Final Judgement.
- We believe in the resurrection of both the saved and the lost: the saved unto eternal life, and the lost to everlasting punishment.
- We believe in one baptism for the remission of sins, performed by the three-fold immersion of a person in the name of the Holy Trinity. As Jesus had said, "Very truly I tell you, no one can enter the kingdom of God unless they are born of water and the Spirit.

- We believe in the salvation through faith by God’s grace, and that man is justified by works, and not by faith only, for even the demons believe in the One God, and tremble. We believe that good works are only those which arise from true faith, conform to God’s Word, and are done for His glory. We believe God’s grace, our free will, and our faith and good works, are intimately connected.
- We believe the reception of the gift of salvation is not a one-time event but a life-time process. We believe that God offers redemption to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. True repentance is an absolute necessity in wiping away all sin.
- We believe in the Revelation as written by Apostle John, where the rapture will be a great and visible Second Coming of Christ at the end of the World, and not the pre-tribulation secret evacuation of believers before the reign of Antichrist.
- We believe God created humans male and female. These two distinct complementary genders reflect the image and nature of God. Rejection of one’s biological sex is a rejection of the image of God within that person. We believe that the term “marriage” has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. We believe any form of sexual immorality is sinful and offensive to God.
- We believe in observing four Lenten seasons each church year, as they were prescribed to us by the Holy Fathers: The Great Lent, Apostles Lent, Dormition Lent, and the Nativity Lent. We also believe in fasting on Wednesdays in remembrance of the betrayal of Christ and on Fridays in remembrance of His crucifixion and death.
- We believe in celebrating the Holy Week of Pascha on the date calculated by the rules set forth by the First Ecumenical Council.
- We believe in the celebration of Holy Days honoring the Three Godheads, Mother of God, the Angels, and the Saints, as days of rest and worship. We believe that Mother of God is exalted for her obedient submission to the will of God, and that the glorification of the Saints is a recognition that God’s holiness is manifested in the Church through these grace-filled men and women whose lives were pleasing to God.
- We believe in the veneration of the Holy Icons. The Saints, during their earthly life, are filled with the grace of the Holy Spirit. After their departure the same grace remains in their relics. The very same grace is present and active in their sacred images and icons.
- We believe in the blessings of God, but do not accept blessings from any pope, patriarchs, bishops, priests, or deacons, or any other clergy not affiliated with our Old-Rite Church.

- We believe that every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the doctrines of Monitor Old-Rite School.

## II. GENERAL INFORMATION

### School Days

---

To accommodate for religious Holy Days, core classes (Math/Reading/Writing) will be taught 4 days a week. During regular school weeks, the 5th day will be open as a field day. Focusing on core academics minimizes the required class hours and allows for flexibility to work around the many religious Holy Days observed by the Russian Old Believer community. A calendar will be provided in advance indicating the field days and school closures.

#### A. FIELD DAYS

Field days are not mandatory. Students will not be penalized for not attending a field day. Field days will offer a variety of activities that are still beneficial to the education of the students but will not be graded or scored. Examples include physical education, sports, arts and crafts, science experiments and study hall. These activities will be published in the course offering lists each year.

If there are unforeseen events such as school closures due to inclement weather or multiple religious Holy Days within the same week, the school may decide to convert a field day into a regular school day. When this occurs, regular attendance expectations will apply.

---

State health regulations require that certificates of vaccination against measles, diphtheria and other required vaccinations are on file. If these are not kept up to date, the child will not be allowed to attend school until they are updated. Information on how to obtain an exemption can be found on the Oregon Health Authority Exemptions and Immunity page at <https://www.oregon.gov/oha/PH/PreventionWellness/VaccinesImmunization/GettingImmunized/Pages/SchExemption.aspx>.

Required medications will be administered by the office personnel only. An authorization for medication form must be on file in the school office before any medication may be dispensed. Students may not carry medication of any kind on school property. Exceptions to this may include an emergency inhaler which has been approved by doctor and/or parent.

All medications including pain relievers, cough drops, etc. must be brought in by the parent/guardian, and in the original container. Please do not send your student in with the medication.

4. In the case of head lice, students will not be allowed to return to school until treated and are lice/nit free. Students must be checked upon returning to school.
5. Students need to be fever, diarrhea, and vomit free for 24 hours before returning to school.

## Emergency Procedures

---

Emergency drills for fire, earthquake and lockdowns will be practiced periodically, as is appropriate.

## Lost and Found

---

All lost and found items should be turned into the office. Items not claimed by the end of each quarter will be donated to families in need.

## Inclement Weather

---

Announcements concerning inclement weather days (snow, wind, flood, etc.) or unscheduled school closures will be posted on the school phone answering machine, school website, and Facebook.

All decisions regarding school closures will be made by the administration taking into account decisions of surrounding districts as well as the weather conditions of families and staff who live in outlying areas. The school may decide to convert a field day into a regular school day to allow students to catch up on class work.

## Property Damage

---

Lost or damaged books will be charged to the student responsible for the loss. Vandalism of school or student property will not be tolerated. Restitution will be required.

## Parental Involvement

---

Monitor Old-Rite School encourages all families to participate in informative and helpful programs. Parent/student orientations will be held prior to the start of school for new students. Parent/teacher conferences held throughout the year provide ongoing communication to promote good understanding between parents/guardians, the faculty, and administration of the school.

We encourage all parents to become involved with our programs. Share your skill or passion with students by volunteering to run an Afterschool Program or elective class. We would like to engage our students in a variety of activities and allow them to find their own passion.

Throughout the year the school will organize fundraising events. We will need assistance with the planning of school activities, staff and student support, and volunteer work. This is one way that parents may help enhance their child's education.

## Students Confidentiality

---

Students, from time to time, find it necessary to share personal information with staff. Students may expect confidentiality from our staff. Exceptions include information that is:

1. Life threatening.
2. Sexually or physically abusive in nature.
3. Serious information about which parents or guardians need to be aware.
4. Illegal issues.

The above exceptions to confidentiality will be determined by staff or administration.

## II. GENERAL CODE OF CONDUCT

### Behavior Guidelines

---

We believe the Scriptures establish the basic principles which should guide the development of Christian character and govern all Christian behavior. These include:

1. Respect and obedience to all staff.
2. Reverence for the Bible.
3. Proper care of all physical property.
4. Conduct expected of a young Christian in the classroom, playground, hallways and restrooms.

A student enrolling in Monitor Old-Rite School must agree to live according to Christian standards whether on or off campus. Irresponsible behavior that violates either a civil law or a biblical principle will be handled according to school discipline policy with the authority that the school has been given.

The biblical and philosophical goal of Monitor Old-Rite School is to develop students into mature individuals who will be able to exhibit a Christ-like life. Of necessity, this involves the school's understanding and belief of what qualities or characteristics exemplify a Christ-like life. On occasion, the atmosphere or conduct within a particular home may be counter to or in opposition with the biblical lifestyle the school teaches. However, while enrolled at Monitor Old-Rite School, all students are expected to exhibit the qualities of a Christ-like life espoused and taught by the school and to refrain from certain activities or behavior. Thus, Monitor Old-Rite School retains the right to refuse enrollment to or to expel any student who engages in sexual immorality. This includes those practicing homosexual, bisexual, and transgender as well as those who condone, support, or otherwise promote such practices.

Monitor Old-Rite School students must agree to distance themselves from activities in which drugs or alcohol are being illegally purchased or consumed.

Open displays of affection between students are considered inappropriate behavior and will not be tolerated at school or school related functions.

Any behavior not in keeping with Russian Old Believer principles or general failure to comply with school policies are prohibited and may result in suspension and/or expulsion.

Students from many different churches and homes attend Monitor Old-Rite School. We encourage students to be sensitive to the convictions of other students and to talk and act in ways that respect those convictions.

We discourage students from forming cliques. Instead, we encourage students to interact and build friendships with a wide range of students.

# Discipline Policy

---

## A. INTRODUCTION

This school is dedicated to the training of children in a program of study, activity, and living that is Christ-centered. We believe that "all things should be done decently and in order" and that our students should be taught to accept a given responsibility to "walk honorably before all men."

This is not a corrective institution. Therefore, we ask that you do not enroll your child with the idea that we will reform them. We are here to work with the home but not to take the place of parents who have experienced difficulty in fulfilling their role.

## B. PHILOSOPHY OF DISCIPLINE

God shows us throughout Scripture that the primary responsibility for nurturing and training children rests with the parents/guardians. Parents and guardians have delegated to Monitor Old-Rite School the responsibility to help them "nurture and instruct" their children. Therefore, Monitor Old-Rite School has established a discipline policy based upon principles in God's Word. The purpose of all discipline is for growth in the Christian life.

## C. DISCIPLINE POLICY

Discipline is an important and essential part of the learning process. The classroom must have an atmosphere that is conducive to learning, and the overall school spirit is to have a positive Christian quality. To accomplish this, teachers and administrators must communicate clearly the expectations and consistently enforce policies. These policies will be effective while students are on campus, at school activities or while traveling to school related functions. Students must be cooperative and exhibit self-control. Parents and guardians must be supportive and involved.

The following measures have been established to collectively accomplish these goals:

### Preventative Discipline

The administration and faculty at Monitor Old-Rite School will endeavor to prevent discipline problems before they begin through

1. Communicating expectations in a timely manner.
2. Using positive reinforcements.
3. Teaching right behavior.
4. Addressing issues before they become major.
5. Establishing mutual respect.

### Formal Discipline Measures

Should discipline measures require further steps, formal discipline measures will be implemented. The extent and severity of these measures will be at the discretion of the faculty and administration. Level 1 infractions may result in a Level II consequence. The following types of infractions, levels of misconduct and respective consequences for misconduct are approved discipline measures:

#### **D. BULLYING POLICY**

Bullying includes hazing, harassment, and intimidation. Bullying is any repeated act that substantially interferes with student's educational opportunities or performance including interfering with the psychological well-being of a student.

There are three types of bullying:

1. Verbal bullying is saying or writing mean things. Verbal bullying includes:

- a. Teasing
- b. Name-calling
- c. Inappropriate comments
- d. Taunting
- e. Threatening to cause harm

2. Social bullying, sometimes referred to as relational bullying, involves hurting someone's reputation or relationships. Social bullying includes:

- a. Leaving someone out on purpose
- b. Telling other children not to be friends with someone
- c. Spreading rumors about someone
- d. Embarrassing someone in public

3. Physical bullying involves hurting a person's body or possessions. Physical bullying includes:

- a. Hitting/kicking/pinching
- b. Spitting
- c. Tripping/pushing
- d. Taking or breaking someone's things
- e. Making mean or rude hand gestures

*(taken from stopbullying.gov)*

Monitor Old-Rite School is committed to making the school a safe, bully-free environment. Is your student being bullied? It can be hard for the school to tell because bullying usually takes place behind the backs of the teachers. Help the school defeat bullying. If you see or hear any reports of bullying, tell the principal or one of the teachers. The school will do its best to watch for and deal with all bullying.

## DEFINITIONS OF SPECIAL DISCIPLINE TERMS

**Infraction** - Breaking a school rule. The teacher will formally write the infraction on a write-up form which will be signed by the student and entered into the student's discipline record. Parents will receive written notice of each infraction.

**Detention** - Level 1 consequences will be served during lunch. Level II consequences will be served in a supervised 45 minute required detainment after school in a designated room. Parents will receive written notice of detention and will be required to sign the after school detention notice and return it to the school office before the student serves detention. Detentions are served on designated days only. Please do not ask for an exception to this rule.

**Student and Parent Responsibility Contract** - A document drawn up between the student, parent/guardian and the administration to document responsibility, accountability and consequences in order to eliminate and/or change previous misbehavior. If insufficient improvement is made in attitude or behavior, the student may be placed on probation or suspended.

**Probation** - A specific time period set by administration for a student to demonstrate improved behavior in specific areas. If insufficient improvement is made in attitude or behavior, the student may be asked to withdraw from the school.

**Suspension** - When a student is not allowed to come to school or to attend class for disciplinary reasons. Students must still complete all assignments missed during the suspension period. Parents will be notified of a student's suspension in writing. Parents will be requested to come to the school and pick up their student.

Students may be suspended during an investigation in order to determine if some serious violation of the school policy has taken place. Parents will be kept informed.

**Expulsion** - When a student is dismissed from the school by the administrator. A student who receives a recommendation for expulsion from the administrator will be on an at-home suspension until the school board can convene. The board will review the student's behavior record and the recommendation from the administrator, interview the student, his or her parent/guardian, and pertinent school personnel. The school board will make a decision. If the recommendation to expel is declined, the board will determine the appropriate discipline for the student. The parent/guardian may appeal the school board's decision by written request. After an appeal is considered by the school board, the board's decision will be final. Parents will be informed verbally as well as in writing and will be requested to immediately remove their student.

# Complaints and Grievances

---

Concerns or questions regarding policy or action taken by school personnel may be addressed by the following procedures:

1. Consider the reasons for all rules and policies.
2. Consider that a child's report may be emotionally biased and lacking all the information and facts.
3. Call the school for information regarding the question or concern. Make an appointment if a more serious need of communication is needed.
4. In all grievances follow the biblical principles:
  - Keep the matter confidential
  - Communicate concern to the person most directly involved.
  - Be straight forward ... tell them your concern.
  - Be forgiving
  - If resolve is not achieved at this first level, make an appointment with the person at the next level of leadership.
  - If resolution is not achieved at this level, communicate with the principal or the administrator. If warranted, the administrator will follow the appropriate chain of command and take the concern to the board of directors.

# Dress Guidelines for School Attire

---

The guidelines below may not be all-inclusive and are subject to administrative discretion. Our intent is to uphold godly standards of modesty, not a legalistic set of rules.

Thank you for your cooperation as we reflect our Christian testimonies in a positive manner.

## **Electronic Devices**

---

Because we are striving to teach social as well as academic skills, we want to provide our students with an atmosphere that promotes relationship building. It is with this intent that we ask students to leave cell phones and electronic devices, including smart watches, on silent in their lockers or backpacks from 8:00 - 3:30. The school office telephone is available for emergencies and urgent calls.

Violation of the electronic policy will result in immediate relinquishment of device to administration. Parents may pick up student electronic devices at their convenience.

## IV. ACADEMICS

### Curriculum

---

The purpose of our curriculum is as follows: (1) To provide excellent academic training for the student and (2) to train the child to see life from God's perspective, (3) to shape attitudes and mold character into the image of a Christian.

The curriculum utilizes various publications with strong emphasis in Christian worldview. The various textbooks and materials used are selected for their strong academic excellence and align with the Russian Old Believer philosophy.

Teaching methods will encompass individualized instruction as well as group work. In addition to core subjects, electives are offered in our after-school program. These are published in the course offering lists each year.

### Achievement Testing

---

Monitor Old-Rite School tests students using the MAP test in grades K-8. Tests are completed online and copies are filed in student records and a copy is sent home. The cost of this test is covered by the comprehensive fee.

### Academic Policy

---

Our staff are dedicated to your child's success. When students fall behind or below the standards, they will be scheduled for a conference with the student and parent to inform the parents and to set a plan to bring the child back to the standards for their grade level. A probationary status and/or contract may be required until grades are brought up to the minimum standard.

### Report Cards

---

Grading reports are designed to give parents and students an indication of student progress.

Report cards are completed at the end of each nine-week quarter for 1<sup>st</sup>-8<sup>th</sup> grade and will be sent home with students. Additional copies will be available upon request. Updated report cards may be provided upon parent request at any time during the school year. Please contact your student's teacher if you have questions or concerns about any assignments and/or updates.

## Conferences

---

Parent/teacher conferences will be held during the first and third quarters or provided upon parent request at any time during the year. Please call or email the teacher to set up an appointment. Before and after school "drop ins" are discouraged as the teacher and staff may be unavailable due to before and after school responsibilities.

## Homework Policy

---

Our goal is to ensure all students are successful and achieve their maximum academic potential. We are offering a study hall to all students from 2:30-3:30 at no additional cost to the families to allow students to work on their homework or missed assignments. All homework not completed during study hall will need to be taken home and completed by the assigned due date.

## Make-Up Work Guidelines

---

When absences occur, it is the responsibility of the student to make arrangements to make up missed work. Parents/Guardians of younger children are encouraged to be involved in assuring that proper arrangements are made with the teacher. As a school policy, students are given grace for assignments based on the number of days of absences. The number of days absent determines the number of days

granted to make up work (one day grace for each day absent). For pre-arranged absences, assignments should be obtained ahead and completed on time.

If the student has missed any tests or quizzes, the student must make arrangements with the teacher for make-up tests.

## Student Records/Transfers

---

Student records may include a cumulative file and discipline file. Monitor Old-Rite School maintains cumulative files as permanent records for students. When a student transfers to another school, the student's cumulative file will be forwarded upon written request from the new school. The files of new Monitor Old-Rite School students will be requested by the main office.

## Student Awards

---

The school endeavors to reward students for outstanding and excellent achievement and behavior. Incentives and awards include the following:

### **Honor Roll**

This is given at each quarter's end for all students in grades 6-8 who excel in academics.

### **Good Character Award**

This is given to students based on character. Students may receive this award by showing respect, taking responsibility for their actions, and helping others.
